

Q-Tech (1478 HK)

Positive FY25 profit alert; non-mobile (handheld/auto/XR) growth to continue into 2026

Q-Tech announced positive profit alert with earnings growth of 400-450% YoY, above our/market expectations, mainly driven by non-mobile growth (handheld/auto/XR), CCM/FPM upgrade (periscope/OIS/ultrasonic), India biz disposal gains and Newmax's earnings turnaround. We adjusted our estimates to reflect FY25 preannouncement, non-mobile momentum on IoT/drone/handheld/auto/AI glasses, despite smartphone weakness on memory cost hike. We expect non-mobile biz to become the major growth driver with 48% revenue CAGR in FY25-27E, accounting for 40%/47% of revenue in FY26/27E (vs. 28% in FY25E). Trading at 13.2x/10.5x FY26/27E P/E, we think the stock is attractive. Reiterate BUY with new TP of HK\$13.18 based on rollover 17x FY26E P/E. Upcoming catalysts include IoT client wins, handheld/drone orders, and FY26E guidance.

■ **Positive FY25 profit alert above our/market expectation.** Q-Tech announced positive FY25 profit alert with NP growth of 400-450% YoY, driven by: 1) non-mobile (IoT/auto/XR) CCM shipment growth of 110% YoY on rapid demand and leading customers' orders (IoT client as 2nd largest client in 1H25); 2) GPM improvement driven by mid-to-high-end mobile CCM (periscope & OIS) and FPM (ultrasonic) upgrade, better product mix and operating efficiency; 3) one-off gain from 51.08% equity disposal of Q-Tech India and Newmax's turnaround with profit of RMB103mn (vs RMB37mn loss in FY24). We estimate revenue/net profit to grow 28%/419% YoY in FY25E.

■ **2026 outlook: non-mobile (handheld/auto/XR) CCM to become key growth driver amid smartphone industry headwinds.** Looking into 2026, we expect: 1) non-mobile CCM (IoT/auto/XR): 42%/30% YoY revenue growth in FY26E (IoT/auto/XR CCM +40%/50%/30% YoY), accounting for 40%/47% of Q-Tech's FY26/27E revenue, driven by IoT client's drone/handheld demand and spec upgrade; 2) smartphone CCM: 16% YoY revenue decline (shipment/ASP down 7%/10%) given industry headwinds on memory price hike; 3) FPM: 5% revenue decline given weak smartphone shipment. In the long term, leveraging Q-Tech's vertical integration capability and strong global client base, we are encouraged by its non-mobile business growth momentum, capturing industry opportunities in drones/handheld-cam/XR/AI glasses/robotics.

■ **Maintain BUY with new TP of HK\$13.18.** Overall, we are positive on Q-Tech's better smartphone CCM product mix and multiple growth drivers in non-mobile CCM segments. We adjusted our estimates to reflect the positive FY25 profit alert and business outlook in FY26E. Our new TP of HK\$13.18 is based on rollover 17x FY26E P/E (vs. prior 19.5x FY25E P/E) on smartphone industry headwinds. Q-Tech will announce full year results in mid-March and we look for mgmt. guidance on high-end SP CCM mix, non-smartphone CCM including IoT and auto shipment/ASP and FPM shipment/GPM.

Valuation

Maintain BUY with new TP of HK\$13.18

We adjusted our estimates to reflect FY25 preannouncement, non-mobile momentum on IoT/drone/handheld/auto/AI glasses, despite smartphone weakness on memory cost hike. We expect non-mobile biz to become a major growth driver with 48% revenue CAGR in FY25-27E, accounting for 40%/47% of revenue in FY26/27E (vs. 28% in FY25E).

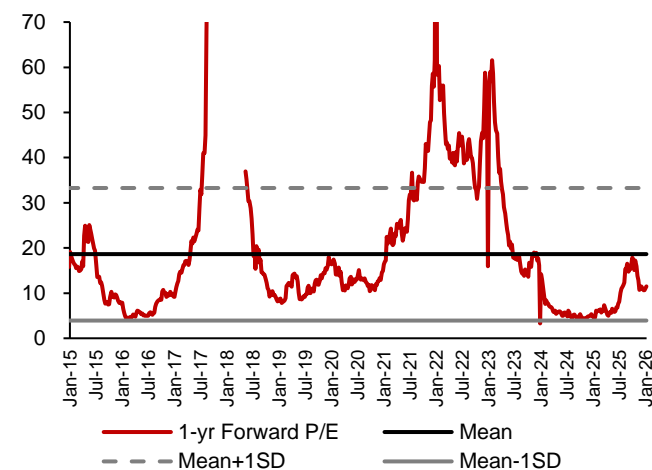

Our new TP of HK\$13.18 is based on rollover 17x FY26E P/E (vs. prior 19.5x FY25E P/E) on smartphone industry headwinds. Trading at 13.2x/10.5x FY26/27E P/E, we think the stock is attractive. Reiterate BUY. Upcoming catalysts include IoT client wins, handheld/drone orders, and FY26E guidance.

Important Disclosures

There are risks involved in transacting in any securities. The information contained in this report may not be suitable for the purposes of all investors. CMBIGM does not provide individually tailored investment advice. This report has been prepared without regard to the individual investment objectives, financial position or special requirements. Past performance has no indication of future performance, and actual events may differ materially from that which is contained in the report. The value of, and returns from, any investments are uncertain and are not guaranteed and may fluctuate as a result of their dependence on the performance of underlying assets or other variable market factors. CMBIGM recommends that investors should independently evaluate particular investments and strategies, and encourages investors to consult with a professional financial advisor in order to make their own investment decisions.

This report or any information contained herein, have been prepared by the CMBIGM, solely for the purpose of supplying information to the clients of CMBIGM or its affiliate(s) to whom it is distributed. This report is not and should not be construed as an offer or solicitation to buy or sell any security or any interest in securities or enter into any transaction. Neither CMBIGM nor any of its affiliates, shareholders, agents, consultants, directors, officers or employees shall be liable for any loss, damage or expense whatsoever, whether direct or consequential, incurred in relying on the information contained in this report. Anyone making use of the information contained in this report does so entirely at their own risk.

The information and contents contained in this report are based on the analyses and interpretations of information believed to be publicly available and reliable. CMBIGM has exerted every effort in its capacity to ensure, but not to guarantee, their accuracy, completeness, timeliness or correctness. CMBIGM provides the information, advices and forecasts on an "AS IS" basis. The information and contents are subject to change without notice. CMBIGM may issue other publications having information and/or conclusions different from this report. These publications reflect different assumption, point-of-view and analytical methods when compiling. CMBIGM may make investment decisions or take proprietary positions that are inconsistent with the recommendations or views in this report.

CMBIGM may have a position, make markets or act as principal or engage in transactions in securities of companies referred to in this report for itself and/or on behalf of its clients from time to time. Investors should assume that CMBIGM does or seeks to have investment banking or other business relationships with the companies in this report. As a result, recipients should be aware that CMBIGM may have a conflict of interest that could affect the objectivity of this report and CMBIGM will not assume any responsibility in respect thereof. This report is for the use of intended recipients only and this publication, may not be reproduced, reprinted, sold, redistributed or published in whole or in part for any purpose without prior written consent of CMBIGM.

Additional information on recommended securities is available upon request.

For recipients of this document in the United Kingdom

This report has been provided only to persons (I) falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended from time to time) ("The Order") or (II) are persons falling within Article 49(2) (a) to (d) ("High Net Worth Companies, Unincorporated Associations, etc.") of the Order, and may not be provided to any other person without the prior written consent of CMBIGM.

For recipients of this document in the United States

CMBIGM is not a registered broker-dealer in the United States. As a result, CMBIGM is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. The research analyst who is primary responsible for the content of this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA"). The analyst is not subject to applicable restrictions under FINRA Rules intended to ensure that the analyst is not affected by potential conflicts of interest that could bear upon the reliability of the research report. This report is intended for distribution in the United States solely to "major US institutional investors", as defined in Rule 15a-6 under the US, Securities Exchange Act of 1934, as amended, and may not be furnished to any other person in the United States. Each major US institutional investor that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report to any other person. Any U.S. recipient of this report wishing to effect any transaction to buy or sell securities based on the information provided in this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
