

FIT Hon Teng (6088 HK)

3Q23 earnings beat on better product mix and record-high GPM

FIT Hon Teng released better-than-expected 3Q23 results with revenue of US\$ 1,165mn (-9% YoY) and net profit of US\$ 55mn (+10% YoY), and margin recovery is ahead of our expectations. We believe better bottom-line was largely due to revenue contribution from Voltaira's deal completion and favourable FX impact. Looking into 4Q23E, we expect earnings recovery to continue with multiple new products ramp-up (DDR5/CPU socket/high speed connector) and upside from Voltaira's automotive electronics business. We reiterate BUY with target price under review. We will look for more details in the earnings call at 9 a.m HKT this morning.

- 3Q23 earnings beat with record-high GPM. FIT released its 3Q23 results with revenue of US\$ 1,165mn (-9% YoY) and net profit of US\$ 55mn (+10% YoY). GPM came in at 22.3% (vs. 16.0% in 3Q22), reaching a record high. We think the strong GPM was mainly due to better product mix from Voltaira's deal completion and favourable FX. Riding on solid execution of "3+3 Strategy", FIT guided new business segments Mobility/5G&AloT/Audio) will account for 40%+ of total revenue in FY25E (vs. 30% in FY23E). We expect 4Q23E net margin will continue to improve QoQ to 5.8% (vs. -1.1%/ 0.04% /4.7% in 1Q/2Q/3Q23) backed by improving product mix and better operating leverage.
- FY24E outlook: Voltaira synergy, product launches (CPU socket/DDR5 connectors/high-speed connectivity, TWS ramp-up. We believe FIT will benefit from Voltaira's auto business consolidation and multiple new product launches into FY24E. We think TWS orders from the US major customer will boost revenue upside and margin expansion in 2H24E. In terms of opex, we estimate FIT's opex ratio to peak at 14% in FY23E and then moderate to 13.2%/12.8% in FY24/25E.
- Earnings recovery on track; Positive on multiple growth drivers in FY24E. Despite near-term overhang over recent authorities' inspection, we think current valuation at 8.3x/6.6x FY23/24E P/E remains extremely attractive (1-sd below 5-year avg.), given better 3Q earnings recovery and positive outlook into FY24E. We maintain BUY with target price under review. We will look for more information during the earnings call at 9 a.m HKT, including 1) 2024 business guidance, 2) progress of "3+3 Strategy", 3) TWS project status update, and 4) EV business outlook after Voltaira's integration.

Valuation

Maintain BUY with TP of HK\$2.06

Our 12m TP of HK\$ 2.06 is based on 11x FY24E P/E (33% discount to 5-year hist. avg.), given accelerated growth on "3+3 Strategy" and probability recovery. Trading at 8.3x/6.6x FY23/24E P/E, we think risk-reward is attractive. Upcoming catalysts include auto business integration progress, Apple share gain and improving margins.

Important Disclosures

There are risks involved in transacting in any securities. The information contained in this report may not be suitable for the purposes of all investors. CMBIGM does not provide individually tailored investment advice. This report has been prepared without regard to the individual investment objectives, financial position or special requirements. Past performance has no indication of future performance, and actual events may differ materially from that which is contained in the report. The value of, and returns from, any investments are uncertain and are not guaranteed and may fluctuate as a result of their dependence on the performance of underlying assets or other variable market factors. CMBIGM recommends that investors should independently evaluate particular investments and strategies, and encourages investors to consult with a professional financial advisor in order to make their own investment decisions.

This report or any information contained herein, have been prepared by the CMBIGM, solely for the purpose of supplying information to the clients of CMBIGM or its affiliate(s) to whom it is distributed. This report is not and should not be construed as an offer or solicitation to buy or sell any security or any interest in securities or enter into any transaction. Neither CMBIGM nor any of its affiliates, shareholders, agents, consultants, directors, officers or employees shall be liable for any loss, damage or expense whatsoever, whether direct or consequential, incurred in relying on the information contained in this report. Anyone making use of the information contained in this report does so entirely at their own risk.

The information and contents contained in this report are based on the analyses and interpretations of information believed to be publicly available and reliable. CMBIGM has exerted every effort in its capacity to ensure, but not to guarantee, their accuracy, completeness, timeliness or correctness. CMBIGM provides the information, advices and forecasts on an "AS IS" basis. The information and contents are subject to change without notice. CMBIGM may issue other publications having information and/ or conclusions different from this report. These publications reflect different assumption, point-of-view and analytical methods when compiling. CMBIGM may make investment decisions or take proprietary positions that are inconsistent with the recommendations or views in this report.

CMBIGM may have a position, make markets or act as principal or engage in transactions in securities of companies referred to in this report for itself and/or on behalf of its clients from time to time. Investors should assume that CMBIGM does or seeks to have investment banking or other business relationships with the companies in this report. As a result, recipients should be aware that CMBIGM may have a conflict of interest that could affect the objectivity of this report and CMBIGM will not assume any responsibility in respect thereof. This report is for the use of intended recipients only and this publication, may not be reproduced, reprinted, sold, redistributed or published in whole or in part for any purpose without prior written consent of CMBIGM. Additional information on recommended securities is available upon request.

For recipients of this document in the United Kingdom

This report has been provided only to persons (l)falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended from time to time) ("The Order") or (II) are persons falling within Article 49(2) (a) to (d) ("High Net Worth Companies, Unincorporated Associations, etc...) of the Order, and may not be provided to any other person without the prior written consent of CMBIGM.

For recipients of this document in the United States

CMBIGM is not a registered broker-dealer in the United States. As a result, CMBIGM is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. The research analyst who is primary responsible for the content of this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA"). The analyst is not subject to applicable restrictions under FINRA Rules intended to ensure that the analyst is not affected by potential conflicts of interest that could bear upon the reliability of the research report. This report is intended for distribution in the United States solely to "major US institutional investors", as defined in Rule 15a-6 under the US, Securities Exchange Act of 1934, as amended, and may not be furnished to any other person in the United States. Each major US institutional investor that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report to any other person. Any U.S. recipient of this report wishing to effect any transaction to buy or sell securities based on the information provided in this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
