Lenovo Tech World 2024: AI PC product launches set to accelerate

Lenovo hosted the "AI Tech World" event with the theme "AI for AII" in Shanghai yesterday. During the event, CEO Mr. Yang highlighted 1) Lenovo's vision of bringing AI to every household and industry, 2) its emphasis on the industry trend of hybrid AI, 3) building personal AI agents on AI PC/smartphone/pad products and 4) deploying enterprise AI agents on Lenovo's smart infrastructure, solutions and services. Lenovo also launched six new models of AI PC products. We believe AI PC product launches are set to accelerate in 2024, and major beneficiaries include Lenovo (992 HK), Dell (Dell US), FIT Hon Teng (6088 HK), Chunqiu Electronics (603890 CH), Huaqin Tech (603296 CH), Bromake (301387 CH) and Luxshare (002475 CH).

- Lenovo pursues full-stack AI strategy with built-in enterprise/personal AI agent; six new AI PC models launched. Lenovo is committed to fullstack AI, including providing smart devices (AI PC, AI smartphone, pad and watch), smart infrastructure (cloud/enterprise servers, storage and HPCs) and smart solutions & services. It introduced six new AI PC models with selling prices ranging from RMB5,999 to RMB17,999. Each AI PC model is pre-equipped with personal AI agent Lenovo Xiaotian with functions of AI PPT, notes summary, AI drawing and picture recognition at the edge device. We think Lenovo will benefit from the AI trend with its full-stack AI product offerings from AI edge devices to AI infrastructure. Hybrid AI should also unlock new opportunities for related solutions and services, including IT services and GenAI applications.
- AI PC product launches to accelerate in 2H24E. Following releases of Alenabled processors from Intel (Core Ultra) and AMD (Ryzen), major PC brands (e.g., Lenovo, Asus, Dell, HP) have showcased their latest AI PC lineups in the past few months. We believe AI PC product launches are set to accelerate in 2H24E, and Lenovo's first batch of AI PC products will gain market feedback, boosting initial market penetration. AI PC shipments are expected to reach 167mn units by 2027 (vs 50mn in 2024), implying 60% penetration, based on IDC. Lenovo's CEO Mr. Yang projected 2024E global AI PC market penetration may reach 10%.
- Positive on Al PC penetration; focus on Apple's WWDC in June with more Al edge devices to be launched. We believe Al PC product launches are poised to accelerate in 2024, and beneficiaries include Lenovo (992 HK), Dell (Dell US), FIT Hon Teng (6088 HK), Chunqiu Electronics (603890 CH), Huaqin Tech (603296 CH), Bromake (301387 CH) and Luxshare (002475 CH).

Important Disclosures

There are risks involved in transacting in any securities. The information contained in this report may not be suitable for the purposes of all investors. CMBIGM does not provide individually tailored investment advice. This report has been prepared without regard to the individual investment objectives, financial position or special requirements. Past performance has no indication of future performance, and actual events may differ materially from that which is contained in the report. The value of, and returns from, any investments are uncertain and are not guaranteed and may fluctuate as a result of their dependence on the performance of underlying assets or other variable market factors. CMBIGM recommends that investors should independently evaluate particular investments and strategies, and encourages investors to consult with a professional financial advisor in order to make their own investment decisions.

This report or any information contained herein, have been prepared by the CMBIGM, solely for the purpose of supplying information to the clients of CMBIGM or its affiliate(s) to whom it is distributed. This report is not and should not be construed as an offer or solicitation to buy or sell any security or any interest in securities or enter into any transaction. Neither CMBIGM nor any of its affiliates, shareholders, agents, consultants, directors, officers or employees shall be liable for any loss, damage or expense whatsoever, whether direct or consequential, incurred in relying on the information contained in this report. Anyone making use of the information contained in this report does so entirely at their own risk.

The information and contents contained in this report are based on the analyses and interpretations of information believed to be publicly available and reliable. CMBIGM has exerted every effort in its capacity to ensure, but not to guarantee, their accuracy, completeness, timeliness or correctness. CMBIGM provides the information, advices and forecasts on an "AS IS" basis. The information and contents are subject to change without notice. CMBIGM may issue other publications having information and/ or conclusions different from this report. These publications reflect different assumption, point-of-view and analytical methods when compiling. CMBIGM may make investment decisions or take proprietary positions that are inconsistent with the recommendations or views in this report.

CMBIGM may have a position, make markets or act as principal or engage in transactions in securities of companies referred to in this report for itself and/or on behalf of its clients from time to time. Investors should assume that CMBIGM does or seeks to have investment banking or other business relationships with the companies in this report. As a result, recipients should be aware that CMBIGM may have a conflict of interest that could affect the objectivity of this report and CMBIGM will not assume any responsibility in respect thereof. This report is for the use of intended recipients only and this publication, may not be reproduced, reprinted, sold, redistributed or published in whole or in part for any purpose without prior written consent of CMBIGM. Additional information on recommended securities is available upon request.

For recipients of this document in the United Kingdom

This report has been provided only to persons (I)falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended from time to time)("The Order") or (II) are persons falling within Article 49(2) (a) to (d) ("High Net Worth Companies, Unincorporated Associations, etc.,) of the Order, and may not be provided to any other person without the prior written consent of CMBIGM.

For recipients of this document in the United States

CMBIGM is not a registered broker-dealer in the United States. As a result, CMBIGM is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. The research analyst who is primary responsible for the content of this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA"). The analyst is not subject to applicable restrictions under FINRA Rules intended to ensure that the analyst is not affected by potential conflicts of interest that could bear upon the reliability of the research report. This report is intended for distribution in the United States solely to "major US institutional investors", as defined in Rule 15a-6 under the US, Securities Exchange Act of 1934, as amended, and may not be furnished to any other person in the United States. Each major US institutional investors that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
