

Chinasoft (354 HK)

FY1H22 beat, workforce restructuring in progress

Chinasoft delivered solid FY1H22 results with revenue/ net profit growth of +20%/10% YoY to RMB10bn/ RMB572mn respectively. GPM was under pressure (-2.8 ppts YoY to 24.8%) on pandemic resurgence and rising labor costs. Chinasoft maintained FY22E guidance although workforce restructuring is still in progress (employees no. +9.5% YoY, -1.0% HoH to 91,114). We are positive on revenue diversification in Cloud (+51% YoY) and non-Huawei (+29% YoY) businesses. Maintain BUY.

- FY1H22 net profit beat but gross margin missed.** Chinasoft delivered strong revenue growth of +20% YoY to RMB10,025mn in FY1H22. Cloud Intelligent Services grew +51% YoY to RMB3.21bn while traditional IT service business was up +10% YoY to RMB6.81bn. GPM declined -2.8 pct pts YoY to 24.8%, below both our and consensus estimates. Company attributed the decrease to 1) large-scale resurgence of COVID-19 pandemic, 2) increase in mid-to high-end technical staff, and 3) rising labor costs. Operating profit was up +15% YoY as opex ratio dropped to 19.9% (vs. 22.4% in FY1H21). 45% of cost saved was related to lower share-based compensation. Net profit was RMB572mn (+10% YoY), beating consensus by 9%.
- Changing revenue mix with increasing Cloud and non-Huawei revenue contribution.** Revenue diversification continued with strong Cloud Intelligent Services and non-Huawei revenue growth (+29% YoY to RMB4.76bn). These have partially offset Huawei weakness (+14% YoY to RMB5.26bn, 52.5% of FY1H22 revenue). In FY22E, Chinasoft targets to sign RMB2bn cloud-related contracts, accounting for 10% of Huawei's managed cloud service (MCS) market share.
- No change in FY22E guidance although workforce restructuring in progress.** Chinasoft maintained FY22E guidance: revenue +20-30% YoY while net profit +10-20% YoY. However, given its labor-intensive business nature, reduced number of employees reflects slower FY23E growth. Employee number was 91,114 (9.5% YoY, -1.0% HoH). In absolute term, workforce number was down 925, compared to 92,039 as of 31 Dec 2021.
- Maintain BUY.** We largely maintained FY22 earnings forecast but revised down FY23-24E net profit by 8-16% on more conservative estimates regarding Huawei business. Maintain BUY with new target price of HK\$7.79 (prior HK\$9.87) on 15x fully diluted FY23E P/E, in-line with three-year mean.

FY1H22 results review

- **Revenue** was RMB10,025mn (+20% YoY), in-line with our and consensus estimates.
 - **Emerging business** (Cloud related) was up +51% YoY to RMB3.21bn.
 - **Traditional IT Services** was up +10% YoY to RMB6.81bn.
- **Gross profit** was RMB2,482mn (+8% YoY), in-line with our estimate but below consensus by 6%.
- **Gross margin** was 24.8%, (-2.8 pct pts YoY), **below** our estimate by -1.1 pct pts and consensus by -1.4 pct pts.
 - The decline in GPM was attributable to
 - 1) Large-scale resurgence of COVID-19 pandemic
 - 2) Increase in mid-to high-end technical talent pool
 - 3) Rising labor costs
- **Operating profit** was RMB485mn (+15% YoY), beating our estimate by 9% and consensus by 17%.
- **Operating margin** was 4.8% (-0.3 pct pts YoY), **above** our estimate by 0.3 pct pts and consensus by 0.8 pct pts.
- **Net profit** was RMB572mn (+10% YoY), in-line with our estimates and beating consensus by 9%.
- **EPS** was at RMB0.196 (+4% YoY).

Valuation

Chinasoft (354 HK, BUY, TP HK\$7.79)

We cut FY23-24E net profit by 8-16% mainly to reflect slower Huawei revenue growth and lower margins. Maintain BUY with new target price of HK\$7.79 (prior HK\$9.87), based on 15x FY23E fully diluted EPS, in-line with three-year mean.

Important Disclosures

There are risks involved in transacting in any securities. The information contained in this report may not be suitable for the purposes of all investors. CMBIGM does not provide individually tailored investment advice. This report has been prepared without regard to the individual investment objectives, financial position or special requirements. Past performance has no indication of future performance, and actual events may differ materially from that which is contained in the report. The value of, and returns from, any investments are uncertain and are not guaranteed and may fluctuate as a result of their dependence on the performance of underlying assets or other variable market factors. CMBIGM recommends that investors should independently evaluate particular investments and strategies, and encourages investors to consult with a professional financial advisor in order to make their own investment decisions.

This report or any information contained herein, have been prepared by the CMBIGM, solely for the purpose of supplying information to the clients of CMBIGM or its affiliate(s) to whom it is distributed. This report is not and should not be construed as an offer or solicitation to buy or sell any security or any interest in securities or enter into any transaction. Neither CMBIGM nor any of its affiliates, shareholders, agents, consultants, directors, officers or employees shall be liable for any loss, damage or expense whatsoever, whether direct or consequential, incurred in relying on the information contained in this report. Anyone making use of the information contained in this report does so entirely at their own risk.

The information and contents contained in this report are based on the analyses and interpretations of information believed to be publicly available and reliable. CMBIGM has exerted every effort in its capacity to ensure, but not to guarantee, their accuracy, completeness, timeliness or correctness. CMBIGM provides the information, advices and forecasts on an "AS IS" basis. The information and contents are subject to change without notice. CMBIGM may issue other publications having information and/or conclusions different from this report. These publications reflect different assumption, point-of-view and analytical methods when compiling. CMBIGM may make investment decisions or take proprietary positions that are inconsistent with the recommendations or views in this report.

CMBIGM may have a position, make markets or act as principal or engage in transactions in securities of companies referred to in this report for itself and/or on behalf of its clients from time to time. Investors should assume that CMBIGM does or seeks to have investment banking or other business relationships with the companies in this report. As a result, recipients should be aware that CMBIGM may have a conflict of interest that could affect the objectivity of this report and CMBIGM will not assume any responsibility in respect thereof. This report is for the use of intended recipients only and this publication, may not be reproduced, reprinted, sold, redistributed or published in whole or in part for any purpose without prior written consent of CMBIGM.

Additional information on recommended securities is available upon request.

For recipients of this document in the United Kingdom

This report has been provided only to persons (I) falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended from time to time) ("The Order") or (II) are persons falling within Article 49(2) (a) to (d) ("High Net Worth Companies, Unincorporated Associations, etc.") of the Order, and may not be provided to any other person without the prior written consent of CMBIGM.

For recipients of this document in the United States

CMBIGM is not a registered broker-dealer in the United States. As a result, CMBIGM is not subject to U.S. rules regarding the preparation of research reports and the independence of research analysts. The research analyst who is primary responsible for the content of this research report is not registered or qualified as a research analyst with the Financial Industry Regulatory Authority ("FINRA"). The analyst is not subject to applicable restrictions under FINRA Rules intended to ensure that the analyst is not affected by potential conflicts of interest that could bear upon the reliability of the research report. This report is intended for distribution in the United States solely to "major US institutional investors", as defined in Rule 15a-6 under the US, Securities Exchange Act of 1934, as amended, and may not be furnished to any other person in the United States. Each major US institutional investor that receives a copy of this report by its acceptance hereof represents and agrees that it shall not distribute or provide this report to any other person. Any U.S. recipient of this report wishing to effect any transaction to buy or sell securities based on the information provided in this report should do so only through a U.S.-registered broker-dealer.

For recipients of this document in Singapore

This report is distributed in Singapore by CMBI (Singapore) Pte. Limited (CMBISG) (Company Regn. No. 201731928D), an Exempt Financial Adviser as defined in the Financial Advisers Act (Cap. 110) of Singapore and regulated by the Monetary Authority of Singapore. CMBISG may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, as defined in the Securities and Futures Act (Cap. 289) of Singapore, CMBISG accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact CMBISG at +65 6350 4400 for matters arising from, or in connection with the report.
